TO WHOSOEVER IT MAY CONCERN

The merit-based online admission process for academic session 2020-21 in Christ Church College Kanpur, including Student Registration, Fee Payment, Merit List Generation was completed successfully without the need for walk-in by students or faculty when COVID-19 was at its peak, with the implementation of a software module named DCAIMS. It is a SaaS based software implemented by M/s Omninet Technologies Pvt. Ltd., a Lucknow based core I.T. Company. This company is also the Technology Partner of the college and they customised DCAIMS as per Courses, Subjects, Fees and Rules & Regulations of the College. For the Academic Session 2021-22, DCAIMS was further customised as NEP (New Education Policy) & successfully implemented.

I wish the Company Omninet all the best for their future endeavours & may God help them to achieve new heights & milestones on their path of success.

Dr Joseph Daniel 8/2/22
Principal
Christ Church College Kanpur
