### **Testimonials – Grant of Connectivity to intra -STS**

#### **Omninet Technologies has done a wonderful job in developing the Grant of Connectivity to intra -STS Portal for UP**

What makes OTPL so great is their availability and most importantly, their knowledge and expertise to deliver on time and according to the requirements.

It was a huge challenge for the department to manage new Connectivity to intra-STs for Uttar Pradesh. But Omninet gave us a vision and turned it to reality by developing a portal which now facilitates a smooth & hassle-free, processes of getting Connectivity to intra-STs. Mapping areas, divisions and sub-stations in an organized hierarchy and providing an system

This portal has removed the hassle of long queues and physical visits and also helped everyone in following the COVID-19 protocol.

Their valuable suggestions from time to time and the incredible team support that we received was a convenience for the members of the department.

I must say that the core strengths of OTPL are their expertise and their round the clock availability.

Warm Regards
